

SERIOUS PLAY

FOR INDOOR CONFERENCES & EVENTS

THE BEST MIX OF COLLABORATION & CONNECTION!

Pinnacle Pursuits' **Serious Play for Indoor Conferences & Events** is a mix of highly creative, interactive, facilitated custom team-building initiatives, strategically sequenced to progressively deepen the learning, connection, respect for diversity and trust within a group. Using materials like Lego, ropes, marbles, blindfolds, and other props, this session will have teams laughing one moment and reflecting on team process, relationships and workplace culture the next. This event makes for a fun, collaborative, high spirited, all-inclusive experience! This all-inclusive experience is easily customized to a wide variety of groups, themes, learning outcomes, budgets, venue locations and is guaranteed to be energizing, refreshing, relevant and outrageously fun!

Benefits:

- Strengthen team connection and collaboration
- Increase awareness of group dynamics
- Discover new team strengths & skills
- Create powerful shared memories
- Deepen trust and team cohesion
- Build an incredible sense of culture & team spirit!

Features:

- Ideally suited for 10-80+pax; allow 2-3.5 hrs
- Can include specific learning themes and objectives
- Easily combined with a keynote, other team-building activities or workshops for a richer/longer experience
- Can include icebreakers & creative debriefing

"Thank you for the enjoyable team-building day - it was received with great enthusiasm . . . The quality of your service and the passion and experience you bring to everything you do is evident in the results you attained from our team. Thanks again for a wonderful job, a well-designed day and an amazing experience."

- Lynda Brown, Development Director, Electronic Arts Canada
