

CORPORATE PICNIC ADVENTURE DAY

Connect. Play. Celebrate. Together.

A unique Company-wide summer experience to remember!

Imagine a super fun, interactive, company-wide experience where everyone has the time and space to relax, connect, recharge, play together as colleagues and/or as families, and at the same time accomplish something uniquely different, where company values are promoted and celebrated, and new friendships and memories are created!

This custom, all-inclusive, light-hearted day can incorporate a mix of the best that Pinnacle has to offer, for all abilities and ages – all wrapped up in one super fun, adventurous, playful summer day. Options include a woodland Scavenger Hunt or Adventure Race where teams work together, seeking out and discovering mystery checkpoint challenges using their maps, legends and clues; a Family or Team Spirit Challenge where families and teams compete against one another in unique Survivor-like challenges and games that test peoples' creativity, wits, and teamwork; a Family Games Carnival where children and families can just play and compete in variously uniquely modified sports and games to win prizes and awards; a Dragon-Boating paddling experience on a local lake or inlet in giant 20-person canoes; or a fun combination of various options.
