

Powerful Team-Building, Leadership & Life Skills: Portable Experiential Workshops

"No time better than now to truly inspire youth to connect, challenge and grow."

Led by professional facilitators, coaches, and mentors, and tailored to meet your desired learning outcomes, these interactive experiences take learning and personal development outside of the classroom. Whether for a leadership class, sports team, or youth group, these motivational, empowering, and results-focussed group experiences are designed to have a long-lasting impact on personal leadership and life skills.

Choose from one or multiple of our fully customizable topics:

- Leadership Profile Assessment
- Science of Group Dynamics & Teamwork
- Power of Emotional Intelligence
- Personal Passions, Strengths, Values & Motivation
- Language Matters: Clear, Kind & Compassionate
- Clear Communication & Conflict Resolution
- Goal-setting & Time Management
- Mental Health, Wellness & Resiliency
- Diversity, Inclusion & Commonalities
- Power of Trust & Commitment

Benefits:

- Build stronger connection & community
- Heighten personal & social awareness
- Build trust & improve communication
- Strengthen personal & group resilience
- Create a stronger sense of self
- Skills & tools to empower & inspire

Features:

- Ideally suited for 10-75+pax
- Custom schedule; allow 1.5hrs per session
- Flexible location; portable program
- Options to suit everyone's needs & hopes
- Tailored to specific learning objectives
- Best when combined with an action-learning program

"Pinnacle Pursuits is a forward thinking, outside of the box company that strives to bring the best out of everyone and everything life has to offer . . . a fantastic company to work with!"

- Steve Olah, Principal, Meadowridge Independent School
