

# HIGH ROPES CHALLENGE COURSE

## TAKE YOUR TEAM TO NEW HEIGHTS

**High Ropes Challenge Course** mixes high adventure and impactful learning experiences within a supportive, trusting and controlled setting. This experience is for adventurous groups ready to embark on a high level of performance in teamwork and growth. Attached to a harness, wearing helmets, and secured to a belay system, participants take a “leap of faith” through the trees, moving from platform to platform - into the realm of leadership, goal-setting, confidence, and success!

### **Benefits:**

- Strengthen support & trust
- Explore controlled risk-taking
- Share vulnerability & build respect
- Develop self-confidence
- Set goals & achieve success
- Boost spirits & have fun!

### **Features:**

- Ladders, ropes & platforms built in the trees
- Unique wilderness setting 30 feet above ground
- Ideally suited for 10-25 participants
- 1.5 - 3 hour duration
- Compelling obstacles for all levels of ability
- Variety of individual and partner based activities

***“Our people are now connected and see their potential...
