

SERIOUS PLAY

OUT OF THE BOARDROOM AND INTO THE GREAT OUTDOORS. SERIOUS FUN, SERIOUS BONDING, SERIOUS PLAY!

Serious Play is a mix of highly creative, interactive, facilitated custom team-building initiatives, strategically sequenced to progressively deepen the learning, connection, respect for diversity and trust within a group. Using materials like Lego, ropes, marbles, blindfolds, and other props, this session will have teams laughing one moment and reflecting on team process, relationships and workplace-culture the next. This event makes for a fun, collaborative, high spirited, all-inclusive experience!

Benefits:

- Strengthen team connection & collaboration
- Increase awareness of group dynamics
- Enhance creativity & problem solving
- Understand individual strengths
- Deepen trust and team cohesion
- Boost spirits & have fun!

Features:

- Participants rotate through various facilitated team-building challenges
- Delivered in almost any outdoor location or park
- Ideally suited for 10-80 participants
- 2-3.5 hour duration
- Can include icebreakers & creative debriefing

"Thank you for the enjoyable team-building day - it was received with great enthusiasm . . . The quality of your service and the passion and experience you bring to everything you do is evident in the results you attained from our team. Thanks again for a wonderful job, a well-designed day and an amazing experience."

- Lynda Brown, Development Director, Electronic Arts Canada
